

## American Indian Parent Committee

The purpose of the American Indian Parent Committee is to assure parent participation in providing programs and services for American Indian students. The Parent Committee will also be instrumental in providing parents who have American Indian students with information and opportunities to effectively express their views concerning all aspects of education that affect their children. The Parent Committee will also oversee the development and implementation of the educational plan as funded by Title VI of the Federal Every Student Succeeds Act and the Indian Education State Grant. Parent Advisory Committee membership is open to all parents/guardians of American Indian Education students. Secondary students are also welcome to serve on the committee.
